

Downed Animal Protection Act (Docket # 98P-0151/CPI)

Dear Food and Drug Administration, 3 2 5 0 '99 APR -5 P 2 :00

I'm a student at Eldorado High School in Albuquerque and after reading about the Drug and Food Act from 1906 in The Jungle, I decided to express my concern about the treatment of animals. I think that if people kill animals they should at least treat them right before their death. Therefore, the Downed Animal Protection Act has to be passed.

Sincerely, Janine Kahrs
